## **General Items:**

**Employee Benefit Plan Renewal** – Human Resources Director Lona Lanter reviewed the recommended employee benefit coverages to be effective December 1, 2025. Staff recommends approval of Blue Cross Blue Shield (BCBS) for medical coverage and renewal with our current providers for dental, Delta Dental, and vision, United HealthCare (UHC), for the new plan year. The City has maintained employee medical coverage through United HealthCare since December 1, 2005. UHC has been a long-term strategic benefits partner and made significant concessions over the years in order to work within the parameters of our budget. Unfortunately, the City's 2026 budget needs were unable to be met with the initial renewal from UHC. The initial renewal bid from UHC with no plan design changes, came in at an 8.1% premium decrease. However, to meet the budget forecast we needed to see at least a 15% decrease in premiums. Staff started exploring options of entering into the State Employee Health Plan and had our broker conduct a market search for medical insurance to see what other carriers could offer. The State plan did not offer any ability to negotiate pricing or plan design modifications, as it was also not the cost savings as initially anticipated. The bids received from the market search ranged from 11% to a 24% premium decrease for comparable plans to our current design. The two carriers that provided quotes offering the greatest savings were from Aetna and Blue Cross Blue Shield. UHC was unable to match the market bids without significant modification to our current plan design options. Blue Cross Blue Shield was identified as the most competitive bid and we are finalizing plan design modifications in an attempt to match our current plan design as closely as possible across all services. The dental renewal last year from Delta Dental included a two-year rate guarantee, which also allowed for the same level of benefits with no premium increase for 2026. The vision renewal last year from UHC Vision provided a three-year rate guarantee, which also allowed for the same level of benefits with no premium increase for 2026. The 2027 plan renewal next year will be the final year of our three-year rate guarantee for vision coverage.

Commissioner Hingula moved to approve the benefit plan as presented, with Blue Cross Blue Shield (BCBS) for medical coverage and to renew with UHC for vision coverage and with Delta Dental for dental coverage, with a plan renewal date of December 1, 2025. Commissioner Bauder seconded the motion and the motion was unanimously approved. Mayor Pittman declared the motion carried 5-0.

Commissioner Wilson left the meeting at 6:22 p.m.

## **Bids, Contracts and Agreements:**

**Consider Certificate of Substantial Completion for WPC Administration Building Project** – Public Works Director Brian Faust presented for consideration approval of a Certificate of Substantial Completion with Julius Kaaz Construction Company for the WPC Administration Building. The City previously identified a critical need to relocate, for health and safety reasons, the WPC administration offices. The City solicited qualifications from design-build teams that were interested in the project. In July of 2023, the City Commission approved an agreement with Julius Kaaz Construction Company for the initial design of the project. In September 2024, the City Commission approved an amendment to the contract for construction of the building. Cost for the construction was set at \$754,120.56. The construction cost shown was a Guaranteed Maximum Price (GMP). With that said, several items were not known going into construction that staff felt were legitimate changes. Those changes included electrical service charge where power was required to be supplied from a different location, gas service charge where relocation of service of the new

building was required and staff changes including rerouting of exhaust and the addition of a potable water bottle filler for a total increase of \$17,904.82. Staff recommends the Commission approve the Certificate of Substantial Completion for the WPC Administration Building.

Commissioner Bauder moved to approve the Certificate of Substantial Completion with Julius Kaaz Construction Company for the WPC Administration Building. Commissioner Martin seconded the motion and the motion was unanimously approved. Mayor Pittman declared the motion carried 4-0.

Through a review of the City Code, staff recognized that while there are procedures to fill a vacancy in the position of Mayor and Mayor Pro Tem, the City Code did not include any language with regard to filling a vacancy in the position of City Commissioner. An updated ordinance regarding the filling of a vacancy of a City Commissioner within the City Code. The following language is being introduced to be added to this section of the City Code: In case of a vacancy in the office of commissioner occurring by reason of resignation, death, removal from office, or when a commissioner no longer resides in the city, or for any other reason, the mayor (or, in the event the vacancy is in the position of mayor, the mayor pro tem, upon succeeding to the office of mayor) shall submit to the governing body a recommendation of appointment to fill the vacancy within sixty (60) days after the date the office of commissioner becomes vacant. Candidates for appointment to the office of commissioner must be residents and qualified electors of the city. Subject to the provisions of K.S.A. 12-16,128, as amended, a vote of the governing body shall be required to confirm an appointment. Persons

appointed to the governing body shall serve for the duration of the unexpired term to which they are being appointed.

There was no consensus by the Commission to place the ordinance on first consideration. The Commission provided direction to Attorney Waters to provide additional options at a later meeting.

(CFP) Amendment**to Consolidated Annual Contributions Contract  
Terms and Conditions (HUD-53012)**U.S. Department of Housing  
and Urban Development  
Office of Public and Indian Housing**

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2577-0303. There is no personal information contained in this application. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. and the United States of America, Secretary of Housing and Urban Development (herein called "HUD") entered into an Annual Contributions Contract

Whereas, in accordance with Public Law No: 119-4;

Whereas, HUD has agreed to provide CFP assistance, upon execution of this Amendment, to the PHA in the amount to be specified below for the purpose of assisting the PHA in carrying out capital and management activities at existing public housing projects in order to ensure that such projects continue to be available to serve low-income families. HUD reserves the right to provide additional CFP assistance in this FY to the PHA. When HUD provides additional amounts, it will notify the PHA and those amended grants will be subject to these terms and conditions.

\$ \$210,487.00 for Fiscal Year 2025 to be referred to under the Capital Fund Grant Number KS01P06850125  
PHA Tax Identification Number (TIN): On File UEI Number: On File

Whereas, HUD and the PHA are entering into the CFP Amendment Number On File

Now Therefore, the ACC is amended as follows:

1. The ACC(s) is (are) amended to provide CFP assistance in the amount specified above for capital and management activities of PHA projects. This CFP Amendment is a part of the ACC.

2. The PHA must carry out all capital and management activities in accordance with the United States Housing Act of 1937 (the Act), 24 CFR Part 905 (the Capital Fund Final rule) as well as other applicable HUD requirements, except that the limitation in section 9(g)(1) of the Act is increased such that of the amount of CFP assistance provided for under this CFP amendment only, the PHA may use no more than 25 percent for activities that are eligible under section 9(e) of the Act only if the PHA's HUD-approved Five Year Action Plan provides for such use; however, if the PHA owns or operates less than 250 public housing dwelling units, such PHA may continue to use the full flexibility in accordance with section 9(g)(2) of the Act.

3. The PHA has a HUD-approved Capital Fund Five Year Action Plan and has complied with the requirements for reporting on open grants through the Performance and Evaluation Report. The PHA must comply with 24 CFR 905.300 of the Capital Fund Final rule regarding amendment of the Five Year Action Plan where the PHA proposes a Significant Amendment to the Capital Fund Five Year Action Plan.

4. For cases where HUD has approved a Capital Fund Financing Amendment to the ACC, HUD will deduct the payment for amortization scheduled payments from the grant immediately on the effective date of this CFP Amendment. The payment of CFP funds due per the amortization scheduled will be made directly to a designated trustee within 3 days of the due date. Subject to the provisions of the ACC(s) and paragraph 3, and to assist in capital and management activities, HUD agrees to disburse to the PHA or the designated trustee from time to time as needed up to the amount of the funding assistance specified herein.

Unless otherwise provided, the 24 month time period in which the PHA must obligate this CFP assistance pursuant to section 9(j)(1) of the Act and 48 month time period in which the PHA must expend this CFP assistance pursuant to section 9(j)(5) of the Act starts with the effective date of this CFP amendment (the date on which CFP assistance becomes available to the PHA for obligation). Any additional CFP assistance this FY will start with the same effective date.

6. The PHA shall continue to operate each public housing project as low-income housing in compliance with the ACC(s), as amended, the Act and all HUD regulations for a period of twenty years after the last disbursement of CFP assistance for modernization activities for each public housing project or portion thereof and for a period of forty years after the last distribution of CFP assistance for development activities for each public housing project and for a period of ten years following the last payment of assistance from the Operating Fund to each public housing project. Provided further that, no disposition of any project covered by this amendment shall occur unless approved by HUD.

7. The PHA will accept all CFP assistance provided for this FY. If the PHA does not comply with any of its obligations under this CFP Amendment and does not have its Annual PHA Plan approved within the period specified by HUD, HUD shall impose such penalties or take such remedial action as provided by law. HUD may direct the PHA to terminate all work described in the Capital Fund Annual Statement of the Annual PHA Plan. In such case, the PHA shall only incur additional costs with HUD approval.

8. Implementation or use of funding assistance provided under this CFP Amendment is subject to the attached corrective action order(s).

For total conversion of public housing projects, no disposition or conversion of any public housing project covered by these terms and conditions shall occur unless approved by HUD. For partial conversion, the PHA shall continue to operate each non-converted public housing project as low-income housing in accordance with paragraph 7.

HUD OIG is available to receive allegations of fraud, waste, and abuse related to HUD programs via its hotline number (1-800-347-3735) and its online hotline form. You must comply with 41 U.S.C. § 4712, which includes informing your employees in writing of their rights and remedies, in the predominant native language of the workforce. Under 41 U.S.C. § 4712, employees of a government contractor, subcontractor, grantee, and subgrantee—as well as a personal services contractor—who make a protected disclosure about a Federal grant or contract cannot be discharged, demoted, or otherwise discriminated against as long as they reasonably believe the information they disclose is evidence of:

1. Gross mismanagement of a Federal contract or grant;
2. Waste of Federal funds;
3. Abuse of authority relating to a Federal contract or grant;
4. Substantial and specific danger to public health and safety; or
5. Violations of law, rule, or regulation related to a Federal contract or grant.

13. This grant may be subject to the requirements of the Build America Buy, America Act (BABA) which was enacted on November 15, 2021, as part of the Infrastructure Investment and Jobs Act (Public Law 117-58), unless waived by the Department: refer to HUD's BABA webpage for further information ([https://www.hud.gov/program\\_offices/general\\_counsel/build\\_america\\_buy\\_america](https://www.hud.gov/program_offices/general_counsel/build_america_buy_america))

14. This grant is subject to Executive Order 14218, Ending Taxpayer Subsidization of Open Borders and applicable law. HUD will take steps to ensure that Federal resources are not used to support "sanctuary" policies of State and local jurisdictions that actively prevent federal authorities from deporting illegal aliens.

The parties have executed this CFP Amendment, and it will be effective on the date HUD signs below.

*Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year PHA Plan, hereinafter referred to as "the Plan," of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the fiscal year beginning January 1, 2025, in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the submission of the Plan and implementation thereof:*

The PHA certifies that it will carry out the public housing program of the agency in conformity with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), Title II of the Americans with Disabilities Act (42 U.S.C. 12101 *et seq.*), the Violence Against Women Act (34 U.S.C. § 12291 *et seq.*), and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, the Violence Against Women Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs. The PHA will affirmatively further fair housing in compliance with the Fair Housing Act, 24 CFR § 5.150 *et seq.*, 24 CFR § 903.7(o), and 24 CFR § 903.15, which means that it will take meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living patterns, transforming racially or ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws (24 CFR § 5.151). Pursuant to 24 CFR § 903.15(c)(2), a PHA's policies are designed to reduce the concentration of tenants and other assisted persons by race, national origin, and disability. PHA policies include affirmative steps stated in 24 CFR § 903.15(c)(2)(i) and 24 CFR § 903.15(c)(2)(ii). Furthermore, under 24 CFR § 903.7(o), a PHA must submit a civil rights certification with its Annual and 5-year PHA Plans, except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document. The PHA certifies that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing.

### DISCUSSION

Each year HUD requires a Consolidated Annual Performance and Evaluation Report (CAPER) to narrate the accomplishments of the previous program year, reflect the implementation of the Consolidated Plan, and acknowledge leveraging of Community Development Block Grant (CDBG) funds and Emergency Solutions Grant (ESG) funds received. The CAPER illustrates compliance with national objectives set by Congress for use of CDBG and ESG funds. The 2024-25 grant year (7-1-24 to 6-30-25) was the 3rd year of the 2022-26 Consolidated Plan.

CDBG funds are an entitlement award from HUD to our City. As a brief summary of the 2024-25 program year, CDBG funds provided 16 owner occupied homeowners with minor home repair assistance and 5 home buyers with financial assistance to purchase their home in our City. The City did not utilized CDBG funding for removal of slum or blight for this reporting period. Neighborhood Stabilization was accomplished with CDBG funds for sidewalk repair and ADA compliant ramp replacement on the 200 and 300 blocks of Kiowa St. CDBG funds also provided rent or utility reimbursement to 5 public service agencies for the physical locations of their agencies in our City. The agencies served 5,241 low and moderate income individuals of disadvantaged families, mental health needs, and/or efforts to fight homelessness throughout the duration of their CDBG fund usage.

Kansas Housing Resource Corporation awards ESG funding to the City through an application process including qualified public service agencies. The City administered and subawarded ESG funds to two qualified public service agencies that provided homelessness prevention, rapid rehousing, and emergency shelter needs.

The CAPER was presented to the Community Development Advisory Board and held a public hearing on September 8, 2025 for approval or disapproval before presentation to the City Commission. No public comments were received. The Community Development Advisory Board voted for approval of the CAPER to be presented to City Commission. The 2024 CAPER can be viewed on the City's website.

**ITEM:**

Bids for the 10<sup>th</sup> and Limit Intersection Safety Improvement Project were opened by KDOT on September 17, 2025. While KDOT will be the agency that officially awards the contract, our agreement with KDOT states that the award will be 'to the lowest Responsible Bidder upon concurrence in the award by the City'.

**BACKGROUND:**

In December of 2021, the City was notified of a grant opportunity for intersection improvements that would improve the safety of high-crash locations. The Police Department provided a list of high crash intersections and based on this information, the City worked with Merge Midwest Engineering to evaluate options for safety improvements at the intersection of 10th and Limit Street.

The City submitted a grant application and received an offer letter from KDOT stating that we were eligible for up to \$1,000,000 in funding to help cover the costs of these improvements. This is a 90/10 grant that covers the construction and the construction engineering associated with the project.

The City is responsible for 10% of the construction/construction engineering costs and 100% for the design and right-of-way acquisition (as well as any construction costs that exceed the \$1M).

The City hired the team of Merge Midwest and JEO for the project design.

Intersection improvements include:

- Complete replacement of existing signals (including poles, mast arms and radar detection).
- Left turn flashing yellow signals with reflective sheeting to signal back plates.
- Construction of a southbound dedicated right turn lane.
- Upgraded storm sewers, mill and overlay of the intersection and restriping.

**BIDDING:**

KDOT advertised the project and 3 bids were received on September 17, 2025.

<u>Company</u>	<u>Bid</u>
Julius Kaaz Construction Company Inc	\$ 866,655.55
Linaweaver Construction Inc	\$ 965,327.25
<u>J.M. Fahey Construction Company</u>	<u>\$1,055,923.00</u>
<i>(Engineer's Estimate</i>	<i>\$1,454,260.80)</i>

KDOT staff reviewed the bid from Kaaz and found no issues. Therefore Julius Kaaz Construction Company Inc is the lowest Responsible Bidder with a total cost of \$866,655.55.

**CONSTRUCTION ENGINEERING (CE):**

Construction Engineering will be provided by JEO for a cost of \$176,568.44. Total eligible costs for the project are:

Construction:	\$866,656
<u>Construction Engineering:</u>	<u>\$176,568 (estimate)</u>
Total	\$1,043,224
90% KDOT	\$938,902
10% City	\$104,322

**BUDGET IMPACT:**

Based on the low bid, the city's share of construction and construction engineering will be approximately \$104,322. As this is a KDOT administered project, the city's share will need to be forwarded to KDOT prior to construction.

**RECOMMENDATION:**

Staff recommends that the City Commission concur with KDOT's recommendation to award the project to Julius Kaaz Construction and JEO for construction engineering.

**ISSUE:**

Consider bids received and possible award of the Industrial Park Sanitary Sewer Creek Crossing Repair, Project #2025-0022

**BACKGROUND:**

In 2017, during a scheduled sanitary sewer creek crossing inspection, staff identified a possible future issue with the sanitary main located in the creek at 4751 S. 13<sup>th</sup> Street. Earlier in 2025, staff engaged with the City's on-call engineering firm, BG Consultants, to design a long-term solution for protecting the sanitary main and stabilizing the creek banks from further deterioration.

The project plans were prepared by BG Consultants and the project was advertised for bid in the Leavenworth Times and on our BONFIRE website. Bids were accepted on September 15, 2025 and the bid results are shown below and in the attached bid tabulation.

Company	City	Base Total Bid
Baker Construction	Leavenworth, KS	\$ 81,500.00
Linaweaver Construction	Lansing, KS	\$135,000.00
Lexeco	Leavenworth, KS	\$136,596.00
T&B Trucking/Excavating	Hurdland, Mo.	\$138,550.00
Westland Construction	Basehor, KS	\$152,830.00
Griggs Gutter and Const.	Pleasant Hill, Mo	\$162,452.00
Engineer's Estimate		\$138,050.00

Baker Construction was the low bidder and they meet all of the bidding requirements. They have completed several projects for the City in previous years and the prior work was completed within the required timeframe and specifications. The company has completed numerous concrete projects for other cities in Kansas and Missouri and has the experience to satisfactorily perform this work for the City of Leavenworth.

The Sanitary Crossing Repairs are expected to begin no later than October 6th, 2025 with completion in 60 calendar days. Inspection will be by City Staff.

**POLICY:**

The City Commission generally awards a contract to the lowest bidder if the bid is less than the Engineer's Estimate and whose evaluation by the City indicates that the award will be in the best interest of the City. The qualified low bid from Baker Construction was under the Engineer's Estimate and the contractor is well qualified for this work.

**BUDGET IMPACT:**

The total project cost is \$81,500.00. This project will be funded 50% from the Sewer Fund and 50% from the Stormwater Fund.

**RECOMMENDATION:**

Staff recommends that the City Commission approve the qualified low bid submitted by Baker Construction for the Industrial Park Sanitary Sewer Creek Crossing Repair in the amount of \$81,500.00.

CONSIDER ADOPTION OF LEAVENWORTH COUNTY  
SANITARY CODE FOR PRIVATE SEWAGE DISPOSAL SYSTEMS

**ISSUE:**

Consider an ordinance adopting the Leavenworth County Sanitary Sewer Code for the installation of private sewage disposal systems within the city.

**BACKGROUND:**

Private sewage disposal systems may be installed in the city, but it is not a common practice. The current regulations are outdated and incomplete.

The Leavenworth County Sanitary Code contains installation and maintenance regulations for private sewage disposal systems. Leavenworth County staff deals with private sewage disposal systems often, and have assisted city staff on installations within city limits in the past.

The proposed ordinance would adopt the county's code for use within the city, per Chapter 1, Section VI of the Leavenworth County Sanitary Code.

**BUDGET IMPACT:**

There is no budget impact.

**COMMISSION ACTION:**

The Commission is asked to place an ordinance on first consideration that adopts the Leavenworth County Sanitary Code for use by the City of Leavenworth.

**AN ORDINANCE AMENDING CHAPTER 22 (HEALTH AND SANITATION), ARTICLE III (PRIVIES, CESSPOOLS AND SEPTIC TANKS), AND ALL SECTIONS THEREIN, ADDING NEW AND SUBSTITUTE PROVISIONS THERETO, AND REPEALING THE PREVIOUS ARTICLE AND SECTIONS SO AMENDED.**

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAVENWORTH, KANSAS:

**Section 1.** Chapter 22, Article III, of the Leavenworth Code of Ordinances is hereby deleted in its entirety and amended to read as follows:

**ARTICLE III. PRIVIES, CESSPOOLS AND SEPTIC TANKS**

**Sec. 22-158. Inspection authority.**

The public works director or his representative shall have the right to enter upon any premises and inspect the sanitary conditions therein to enforce this article.

**Sec. 22-159. Prohibition.**

No person shall construct, permit or maintain a privy vault or cesspool within the city limits. Septic tanks or other private sewage disposal systems may not be constructed on any lot or premises where there is a public sanitary sewer in any street, alley, highway, easement, or right-of-way adjoining or serving such lot or premises, or where connection to a public sewer is otherwise required under this article or under Chapter 46, Article III of the code.

**Sec. 22-160. Private sewage disposal system.**

- (a) Where a public sanitary sewer is not available as described in this article and/or Chapter 46, Article III of the code, a building sewer shall be connected to a private sewage disposal system complying with the provisions set forth in the latest version of the Leavenworth County Sanitary Code as then-adopted by Leavenworth County, the terms of which are incorporated into this article by this reference.
- (b) Before commencement of construction of a private sewage disposal system, the owner shall first obtain such permits and pay such fees as may be required by Leavenworth County and/or its designated departments. The application for such permits shall be made on a form furnished by Leavenworth County, which shall be supplemented by all information as deemed necessary by Leavenworth County and the city's director of public

works. A plumbing permit from the city shall also be obtained, and the permit fee shall be paid as required, as set forth in the city fee schedule.

- (c) A private sewage disposal system shall not be utilized until the installation is completed to the satisfaction of Leavenworth County (through its authorized agent) and the city inspector or other city-designated official. They shall be allowed to inspect the work at any state of construction, and in any event, the applicant for the permit shall notify Leavenworth County and the City when the work is ready for final inspection, and before any underground portions are covered.
- (d) The type, capacities, location, and layout of a private sewage disposal system shall comply with all requirements of the Leavenworth County Sanitary Code.
- (e) At such time as a public sewer becomes available to a property served by a private sewage disposal system, as provided in this article and in Chapter 46, Article III of the code, a direct connection shall be made within ninety (90) days to the public sewer and any septic tanks, cesspools, and similar private sewage disposal facilities shall be abandoned and filled with suitable material approved by the city director of public works.
- (f) The owner shall operate, clean, and maintain the private sewage disposal facilities in a sanitary manner at all times, and in conformity with the Leavenworth County Sanitary Code, at no expense to the city.
- (g) Where there are city regulations that differ from the requirements of the Leavenworth County Sanitary Code, the city regulations shall apply.
- (h) No statement contained in this article shall be construed to interfere with any additional requirements that may be imposed by Leavenworth County.
- (i) If, at any time, Leavenworth County determines that it does not have jurisdiction to receive applications, collect fees, issue permits, or conduct inspections as provided in this section, then then applications will be made to and fees will be paid to the city, the city will review and issue such permits under the same considerations as provided in this article and under the Leavenworth County Sanitary Code, and the city will conduct such inspections.

FIRST CONSIDERATION ORDINANCE  
2025-12-SUP  
510 KIOWA STREET**

**SEPTEMBER 23<sup>RD</sup>, 2025**

**SUBJECT:**

Place on first consideration an ordinance regarding 2025-12-SUP related to a request for a Special Use Permit to allow a two-family dwelling in the R1-6 zoning District

**Prepared By:**  
Kim Portillo,  
Director of Planning and  
Community Development

**Reviewed By:**  
Scott Peterson,  
City Manager

**NATURE OF REQUEST**

The applicant, Mohammed Sazad, is requesting a Special Use Permit (SUP) to allow a two-family dwelling in the R1-6, High Density Single Family Residential District. Two-family dwellings are allowed in the R1-6 zoning district with the issuance of a Special Use Permit.

The property is currently being used as a nonconforming two-family dwelling. Staff does not have a record of it being legally established for such use.

The applicant is requesting a Special Use Permit to adequately represent the current use of the structure on the property, and to bring the use into compliance with the Development Regulations. Issuance of a Special Use Permit will require the applicant to register the structure with the City as a two-family dwelling.

**COMMISSION FINDINGS**

The Commission may recommend issuance of a special use permit whenever it finds that:

1. The proposed special use complies with all applicable provisions of this ordinance.

*Based on all available information, staff believes that this application complies with all provisions of City of Leavenworth Development Regulations.*

2. The proposed special use at the specified location will contribute to and promote the economic development, welfare or convenience of the public.

*This property has functioned as a two-family dwelling since at least 2018, and contributes to the diversity of housing stock available to Leavenworth residents.*

3. The special use will not cause substantial injury to the value of other property in the neighborhood in which it is located.

*Based on the information available, staff does not believe that the continued use will cause any substantial injury to the value of other property in the neighborhood.*

4. The location and size of the special use, the nature and intensity of the operation involved in or conducted in connection with it, and the location of the site with respect to streets giving access to it are such that the special use will not dominate the immediate neighborhood so as to prevent development and use of neighboring property in accordance with the applicable zoning district regulations.

*No new structures or building modifications are proposed as part of this special use permit. The property will continue to function as it is currently.*

Notification was sent to property owners within 200' of the subject property, as required by Kansas statute. After notifications were mailed, staff received one inquiry.

The Planning Commission took action on this item at their September 9th, 2025 meeting and voted 4-0 to recommend approval of the Special Use Permit with one condition:

1. The property owner shall register the property with the City of Leavenworth as a two-family rental property.

**STAFF RECOMMENDATION:**

Staff recommends approval of the Special Use Permit request based on the analysis and findings included herein, subject to the following conditions:

1. The property owner shall register the property with the City of Leavenworth as a two-family rental property.

**ACTION/OPTIONS:**

- Place an ordinance on first consideration to approve the Special Use Permit request to allow a two-family dwelling at 510 Kiowa Street.
- Deny the Special Use Permit to allow a two-family dwelling at 510 Kiowa Street.
- Remand the Special Use Permit request to allow a two-family dwelling at 510 Kiowa Street to the Planning Commission for further discussion.

**Application for Pre-Existing Two-Family Dwelling at 510 Kiowa st, Leavenworth Kansas**

Dear Members of the Board,

I am writing to formally express my intent to apply for a Special Use Permit for the continued use of the property located at 510 Kiowa st as a pre-existing 2 family dwelling.

This property has historically been used as a two-family residence, and I am seeking to maintain that use in accordance with local zoning regulations. The purpose of this application is to bring the property into full compliance with any applicable zoning requirements and to continue providing safe, quality housing for two families without any expansion or intensification of use.

There are no proposed structural changes or additions to the existing building. The use of the property will remain consistent with its long-standing configuration. The continued operation as a two-family residence will not adversely affect the surrounding neighborhood, and all health, safety, and building codes will be strictly adhered to.

I respectfully request your consideration and approval of this Special Use Permit. I am happy to provide any additional documentation or attend a hearing to further support my application.

Thank you for your time and attention to this matter.

Sincerely,  
Mohammed Sazad
